## Software Developer

9373199191 giteganesh09@gmail.com pune maharashtra

<https://www.linkedin.com/in/ganesh-gite-ab5b0b251/> <https://github.com/ganeshgite>

## SUMMARY

Enthusiastic software developer with solid practical experience in building web applications using React, Node.js, and MongoDB. Proficient in developing end-to-end full-stack solutions with a focus on performance and user experience. Adept at working in collaborative environments, solving real-world challenges, and quickly adapting to new technologies.

## EDUCATION

### BCA (Bachelor of Computer Applications)

Dr. Babasaheb Ambedkar Technological University

## COURSES

### Full-Stack Web Development Course

Sevenmentors Training Institute, Pune

## EXPERIENCE

### Internship (6 month)

#### Defence Institute of Advanced Technology: DIAT

an engineering training institute in Pune, India

### Internship (6 month)

#### SevenMentor Institute in Pune

an IT institute in Pune, India

## PROJECTS

### Technical Department Web Application

*Developed using MERN Stack MongoDB, Express.js, React.js, Node.js)*

Designed and developed a full-stack web application to manage student and professor information

Implemented an admin panel for managing website content, allowing admins to update student and professor data Integrated login

sign-up authentication using JWT for secure access control Built a responsive front-end with React.js, ensuring a user-friendly experience across devices Used MongoDB for efficient data storage and management of student and professor records Developed RESTful APIs with Express.js and Node.js for seamless communication between front-end and back- end

### iPAD (Integrated Platform for Defence Indigenisation)

Developed using React

Developed an integrated platform connecting stakeholders involved in Defence Indigenisation for enhanced collaborat

Created a responsive web application to ensure accessibility across various devices, improving user experience.

Collaborated with the client to gather requirements and deliver a solution tailored to their needs.

### Animated Studio Website

Developed using GSAP (GreenSock Animation Platform)

Created a visually engaging website for an animated studio, showcasing their portfolio and services.

## SKILLS

JavaScript, HTML5, CSS3

Front-End Development React.js Hooks, Context API, Redux) ,Responsive Web Design

Back-End Development Node.js,Express.js,RESTful API Development

Database MongoDB CRUD operations, Mongoose),NoSQL Database Design,Database Optimization

MERN Stack MongoDB, Express.js, React.js, Node.js) ,JWT Authentication & Authorization,GitHub

## MY PASSIONS

I love building web applications that help solve real- life problems. I'm always excited to learn new technologies and improve my skills as a full-stack developer. I enjoy creating user-friendly solutions and working on projects that challenge me to grow. My goal is to contribute to projects that make a positive impact.
